

To our Valued Slopitch League Players:

The Ramada Golf Dome had recently announced that the balance of the 2019/20 Regular Indoor Slopitch Season had been cancelled due to the devastating event of COVID-19.

Dome ownership, management and staff are disappointed that we were not able to complete the indoor season, and have taken steps to realign next seasons schedule to accommodate the loss of games, by each team.

Please be assured that most cancelled games will be honoured and credited towards your 2020/21 Indoor league season. The 2020/21 season start and finish dates will be extended to accommodate the increase in games, and still maintain the integrity of next years schedule.

All prizing for the 2019/20 season, will be awarded as of the standings on March 13, 2020 (Date of closure)

More details will follow, as we move through this difficult time.

The Province of Saskatchewan has issued a “stay-at-home” order for non-essential businesses. The dedicated staff of the Ramada Hotel are still working (In limited capacities) and have limited access to league information in our systems. We ask that patience is exercised.

The Ramada Golf Dome would like to thank you for your unparalleled support during these unprecedented times. Please stay safe and healthy.
